

Iowa Graduate Global Health Symposium: Connecting the University of Iowa

Call for Abstract Guidelines

We invite all graduate/professional students and faculty of the University of Iowa wishing to showcase research findings, innovative practices, and programs related to global health to submit abstracts to be considered for poster presentation.

Abstract Submission Guidelines:

- Abstracts **must not exceed 250 words**. Abstracts over this limit will not be reviewed. Please do not send supplemental material (photos, articles, or reports) with your abstract as these will not be reviewed by the review committee.
- All abstracts must be submitted in English.
- Only poster presentations will be allowed.
- Abstract **titles must not exceed 250 characters** (including spaces) and should NOT be all caps.
- Abstracts should be submitted in the following format:
 - **Background:** A statement of the hypothesis, research question or problem to be addressed.
 - **Methods:** An explanation of the study design and experimental methods used, or the program/project that was undertaken.
 - **Results:** A concise summary of the major findings of the experiment, study, or project. Sufficient data/information must be provided to permit evaluation by the reviewers and public reading the abstracts. Statements such as “additional information to be presented at the meeting” are not acceptable.
 - **Conclusion:** Summary of the overall findings and the importance of the study/project/program.
- All abstracts **must be received by Monday, October 22nd by 5 PM.**

Please submit your abstracts and questions to iowa.ghsymposium@gmail.com.
