### II. Introduction to the day's proceedings

- a. GPAC does not review late budgets. One member government (MG) submitted late and below there is information for how GPAC handled this.
- b. It was decided that we would review ECGPS' fiscal budget first, then Non-MG, and then discuss MG.
- c. It was decided that GPAC would recommend no more than \$10000 for Non-MG for funding requests needed from July 1<sup>st</sup> to mid-October.
  - i. The only exception was Indian Student Alliance. It was decided to give them a flat amount for the year and this amount is not included in the total awarded to Non-MG, but listed separately.
- d. There was an electronic vote to increase MG's FY12 budget by 5% for FY13. This passed with 7 yays and 1 nay.

### III. Beginning Motions

- a. Gillig motions to not review funding requests for Non-MG past mid-October and to hold MG discussion to the end of the meeting (because of the 5% increase vote).
  - i. Nadipuram seconded.
  - ii. This was no dissent or discussion.

V. ECGPS Fiscal Year Budget

Line Item	Amount Requested	Motion	Second	Vote	Amount Approved
Professional Development Grants	\$20,000				\$20,000
Research Grants	\$25,000	Gillig motions to fully fund with the caveat that the grant lines cannot increase		Passes	\$25,000
Travel Grants	\$35,000	substantially each year.	Parker	Passes	\$35,000
Strategic Initiative	\$5000	Gillig motions \$2500. Discussion: Rationale for the decrease is the sizable "00" account and the generous increase in the grant lines.	Nicholson	Passes	\$2500
Legislative Initiative	\$1000	Huston motions to fully fund.	Gillig	Passes	\$1000
<b>Totals</b>	<b>\$86,000</b>			<b>Passes</b>	<b>83500</b>

I. MG Recommendations

- a. Even though we reviewed them last, there were two budgets that the council will need to discuss because one was late and another there was no GPAC member present at the time of MG discussion.
- b. GPAC decided not review budgets of MG that did have a member at the meeting. The committee agreed to let the council decide.
